Important notice

To,
All DSCT students
(Semester I and V)

As we know that, Fifth semester term has been commenced from 15/09/2021 and First semester term has been started from 01/10/2021. Due to COVID pandemic situation these terms are started through online mode.

To make teaching learning process more convenient, MSBTE and Institute has developed E content for all the subjects of first and fifth semesters.

E-content developed by MSBTE is available on MSBTE's website under the tab 'E content' while institute developed E content is available at institute website.

Developed E content includes PPT, videos, study materials, assessments templates etc. Students are advised to take the benefits of content to make their learning more easier.
