Dear all

Greetings....

We at TIP s per MSBTE rules guild lines, conducting a sessional examination of DSCT course. For the conduct of these sessional examination initially we are providing 8 pages answer book (1 main answer book + 1 supplement stapled together)

After observation of one year sessional examinations, we come to know many students are utilizing approx. 4 only out of 8 pages provided. Therefore, in 2nd term of 2017-18 [2nd semester and 4th semester] we have decided t provide only 4 pages answer books only and **supplement on demand**.

By doing this assignment we have saved more than 64 % supplement sheets per term which is quite huge.

Following are the details:

Great Initiative deserve to be applauded.....

Dear colleagues, i hope there can be multiple worth & path breaking suggestions may come from others.

Requested to put forth suggestions for better administration, energy saving, cost reduction or aim towards going green etc.

looking forward for your suggestions.

Regards!
