## About Deccan Education Society's Technical Institute, Pune

Founded in year 1937, the "D.E. Society's Technical Institute, Pune" has recently crossed significant milestone of 89 years of its fruitful existence. Till date it has glorious journey blessed with the "History of touching moments". Deccan education Society was founded on 24<sup>th</sup> October 1884 with the greatest freedom fighters, Social reformers and Stalwarts personalities like Shri. Lokmanya Tilak, Shri. Gopal Ganesh Agarkar, Shri. Vishnushastri Chipulnkar, Shri Madhav Ballal Namjoshi, at present running almost 60 schools & colleges all over Maharashtra. It is the idea to enter into technical education was conceived on the occasion of completion of 50<sup>th</sup> year of D.E.Society's word famous institute 'Fergusson College' in the year 1937. Since its inception the institute has been Grant-In-aid Institute and is governed by the rules & regulations of Maharashtra Govt, DTE & AICTE. From 1937, institute is successfully running its flagship Diploma Course in Surface Coating Technology. Over the last 89 years institute has served the paint/coating industry by providing skilled technocrats. The students of this institute are serving across the globe at the top levels. The

course has gained enviable acceptability in the industrial sector because equal emphasis it lays on academic and practical training. The institute identified the pulse of industry & responded to its requirement by commencing skill-oriented Distance learning Certificate course in "Paint Manufacturing & Application" for working professional in the year 2005. Similarly institute also responded swiftly by commencing MSBTE approved, Non-AICTE short term "Advance Diploma In Industrial Safety" course in the year 2009 when the changing dynamics of the skilled industrial workforce required need of safety professionals. It was again in the year, 2024, D.E.S. Technical Institute become the pioneer institute when it started the Autonomous "Certificate Course In Environmental, Social & Governance". Thus, the Journey which started in the year 1937 still continues achieving significant milestones & serving industry & student community. Over the years, the institute has been created its strong recognition for running diversified industry required skill-oriented courses. The journey still continues and has to go a long way ahead.
